*We are near our
matching gift goal and there is
still time to help us
cross the finish line.*

Dear Rachel Carson Council supporter,

We are near our matching gift goal and there is still time to help us cross the finish line. [Your tax-deductible contribution to the RCC will be doubled \(2X\) by a generous Board member who will match your gift dollar for dollar.](#)

We will be redoubling our efforts in 2018 to protect the environment and human health from the constant assaults from the Trump Administration and its Congressional allies. We will be building a new generation of environmental

leaders as we expand our Rachel Carson Campus Network of 45 colleges and universities, and we will be organizing directly on the ground in North Carolina and Maryland to fight the Atlantic Coast Pipeline and huge, horrid animal factory farms that harm the predominately poor and minority communities who leave near them.

DONATE

Every dollar you send today will be doubled –whether \$5, 50, or \$500! Please rush your gift to the Rachel Carson Council now.

Thank you for helping protect our planet and the people on it with your generous support!

Bob Musil
President & CEO

The Rachel Carson Council, founded in 1965, is the national environmental organization envisioned by Rachel Carson to carry on her work after her death. We promote Carson's ecological ethic that combines scientific concern for the

environment and human health with a sense of wonder and reverence for all forms of life in order to build a sustainable, just, and peaceful future.

Over the years we at RCC have been devoted to providing you the public with important, timely information about the environment. RCC exists because of donations from individuals like you.
